

# Edge Compass:

ESSENTIAL COACHING GEAR TO HELP CLIENTS CHOOSE CHANGE

## **Whether you work**

with individuals or teams—or families or other groups—you likely encounter things they say they want to change, yet never seem to really act on; or topics that seem too “edgy” to talk about.

## ***Edge Compass***

will give you a cool new tool, framework, and methodology to help them go “over the edge,” and achieve the results they seek.

## **4-Week Teleclass**

Wednesdays July 8-29, 7-8:30pm EDT. \$200.
